

Axia Consultants RFI RFP Accounting Software: Profile

Axia is an independent consultancy providing genuinely impartial advice and resources to help enterprises select and implement new Accounting, HR and Payroll systems.

With skill backgrounds in Accounting, Payroll, HR, processes, project management and IT, we can rapidly contribute to time-critical projects by providing the expertise, focus and drive needed to meet key deadlines.

Axia Philosophy

Our philosophy is to involve client's staff as much as possible, whilst providing the in-depth expertise. So client's costs are minimised and all concerned obtain a complete understanding of the solution.
